PRIME STRIP LOCK (PSL) & PRIME CLIP LOCK (PCL) PANEL

Prime's PSL & PCL Standing Seam Panel is a popular choice for many roofing applications. It is a snap together concealed fastener panel, offered in a variety of color options, making it ideal for both residential and commercial applications.

THE PRIME ADVANTAGE:

- 40 Year Warranty Sherwin-Williams Coil Coatings
- 25 Year Warranty Acrylic Coated Galvalume
- Kynar Available
- Custom Trim Capabilities Up To 32' Lengths
- 26-Gauge Standard (24-Gauge Available)
- Snap Lock or Nail Down Option
- No Field Seaming Required

*32' Custom Trim Capabilities may vary based on store location.

**Standard comes with striations to reduce the risk of oil canning. Oil canning is a characteristic of light gauge panels and is not a flaw and therefore not a cause for rejection by purchaser or end user. Standing seam profiles may present oil canning.
