

PRIME STRIP LOCK (PSL) & PRIME CLIP LOCK (PCL)

PSL

PCL

Prime's PSL & PCL Standing Seam Panel is a popular choice for many roofing applications. It is a snap together concealed fastener panel, offered in a variety of color options, making it ideal for both residential and commercial applications.

THE PRIME ADVANTAGE:

- **40 YEAR WARRANTY**
SHERWIN-WILLIAMS COIL COATINGS
- **25 YEAR WARRANTY**
ACRYLIC COATED GALVALUME
- **KYNAR AVAILABLE**
- **CUSTOM TRIM CAPABILITIES UP TO 32'**
(MAY VARY BASED ON STORE LOCATION)
- **26-GA STANDARD, 24-GA AVAILABLE**
- **SNAP LOCK OR NAIL DOWN OPTION**
- **NO FIELD SEAMING REQUIRED**

NOTE: Standard comes with striations to reduce the risk of oil canning. Oil canning is a characteristic of light gauge panels and is not a flaw and therefore not a cause for rejection by purchaser or end user. Standing seam profiles may present oil canning.

PSL & PCL PANEL COLOR OPTIONS:

NOTE: Above colors are matched as closely as possible. Colors vary by monitor or print setting. Please contact us to get the most accurate color representation and we will provide you with color samples. Exact matches should be made from color chip samples, available by request. Prime reserves the right to add and discontinue colors without notice.
